Tennessee Gas Pipeline Company; Notice of Compliance Filing

March 19, 1998.

Take notice that on March 16, 1998, Tennessee Gas Pipeline Company (Tennessee), tendered for filing as part of its FERC Gas Tariff, Fifth Revised Volume No. 1, Fifth Revised Sheet No. 319A, with an effective date of April 15, 1998.

Tennessee states that Fifth Revised Sheet No. 319A is being filed in compliance with the Commission's March 3, 1998 Order on Rehearing and Clarification in the above-referenced docket (March 3 Order). Tennessee Gas Pipeline Company, 82 FERC ¶ 61,221 (1998).

Tennessee states that the revised tariff sheet provides that unscheduled flow penalties do not apply for the remainder of the gas day to an interruptible shipper's gas flow that has been nominated and scheduled at a point but is subsequently involuntarily bumped down to zero at that point.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to

be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

David P. Boergers,
Acting Secretary.

[Docket No. CP98-277-000]

Transok, L.L.C. Notice of Petition for Declaratory Order

March 19, 1998.

Take notice that, on March 10, 1998, Transok, L.L.C. (Transok), 110 W. 7th, Tulsa, OK 74101-3008, filed a petition pursuant to Rule 207 of the Commission's Rules of Practice and Procedure (18 CFR 385.207). Transok requests a declaratory order stating that its acquisition of 37 miles of pipeline, located in Custer and Roger Mills Counties, Oklahoma and currently owned by, Northern Natural Gas Company (Northern) will not subject Transok to the jurisdiction of the Commission. All of this is more fully set forth in the application, which is on file with the Commission and open to public inspection.

This petition is a companion to Northern's application to abandon facilities in Docket No. CP98-218-000. Transok is a limited liability corporation engaged in gathering and intrastate transportation of gas.

Transok and Northern have entered into a sales agreement under which Northern will transfer facilities to Transok for \$3,000,000. Transok states that after the transfer, it will use the facilities as part of its gathering system.

The facilities to be sold by Northern consist of:

1. The Redmoon Lateral made up of 14 miles of 8-inch line extending from the outlet of the inactive Crescendo Resources, L.L.P. Plant in Section 5, Township 15N, Range 21W, Roger Mills County, Oklahoma to the Redmoon Dehy Yard located in Section 27, Township 14N, Range 20W, in Custer County, Oklahoma.

2. The Custer County Pipeline made up of 23 miles of 16-inch line extending from the Northern/Transok interconnect in Section 22, Township 13N, Range 17W, to a point in Section 14, Township 12N, Range 14W, all in Custer County, Oklahoma.

Any person desiring to be heard or make any protest with reference to said application should on or before April 9, 1998, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required, or if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Transok to appear or be represented at the hearing.

David P. Boergers,
Acting Secretary.
